Choose!

Choose from the large assortment of Mactac decorative patterns.

Your Tools!

All you need to decorate with Mactac is a pair of sharp scissors. See the tips and sections.

Measure & Cut!

Measure your cut Mactac vinyl on the surface you are decorating. Measure on backing paper.

Apply!

Peel about 2" of backing paper from the bottom edge. Remove backing - smooth down.

Easy to Clean!

Just wash Mactac with warm, soapy water. Dry. Do not use abrasives.
